**SKILLS** Proactive and self-motivated.  
Exceptional levels of skill and  
interest in PHP and MySQL.

Knowledge of and keen  
interest in HTML5, CSS3,  
WordPress.

Experience in Digital  
Marketing and Graphics  
Design.

Great interpersonal skills - can  
communicate effectively on all  
levels, with patience.

**EDUCATION** **BSc Computer Science**  
Michael Okpara University of  
Agriculture  
2014 - 2018

**O Levels**  
Franklyn Secondary School  
2003 - 2009

**OBJECTIVE** I am a Developer with 2+ years of experience looking for a new  
challenge. I can take an idea from conception and create a  
staging environment, gather feedback and tweak all the way  
through to the final product that goes live. I am also competent  
in Digital Marketing and Graphics Design.

**WORK HISTORY** **Social Media Manager and Virtual Assistant**  
Yarifashionstudio, 2019 - 2020  
Working with this dynamic and fast-growing fashion brand with,  
I contributed to building the online presence and increasing  
engagement for the brand.

## **Web Designer**

Self Employed , 2017 - 2020

Working as a freelancer I was able to create and maintain  
websites for different organizations.

## **Instructor**

Mican Institute, 2013 - 2014

My sole responsibility here was to educate enrolled students  
on computer appreciation, use of internet and other Microsoft  
office packages.
